about us

we take our impact on the environment to heart. we source the finest ingredients from local, small farmers and ranchers when at the peak of the season. great gold offers classic italian american comfort food that adheres to farm to table ideology. our commitment to the zero food print efforts towards carbon neutral farming is our way to promote sustainable thinking in the culinary world. zerofoodprint.org

These are some of the artisan producers that help make our menu come to life:

marin sun farm	mindful meats
happy quail farm	marin roots
rossotti veal	riverdog farm
5 dot ranch	dirty girl produce
